

Keith Everitt re-elected for third term

Keith Everitt, Social Credit is back in office for his third term representing St. Albert with a total of 2,824 votes. This was a lead of 502 over his closest opponent Liberal Bob Russell (2322). Stan Walker, a late starter in the campaign, polled 1455 votes for the Conservatives and Norman Dolman collected 1343 for the N.D.P.

About 65% of the 12,186 eligible voters cast their ballots in St. Albert Constituency (An unofficial figure not allowing for spoiled ballots, university students away from the constituency etcetera).

The margin of Social Credit over Liberal votes is almost identical with the 1963 election results, when Everitt defeated Chalifoux with 510 votes. Conservative candidate Lazerte had 1332 that year and Bevington for N.D.P. only 451. So Norman Dolman made a significant gain in popular vote for the N.D.P. here.

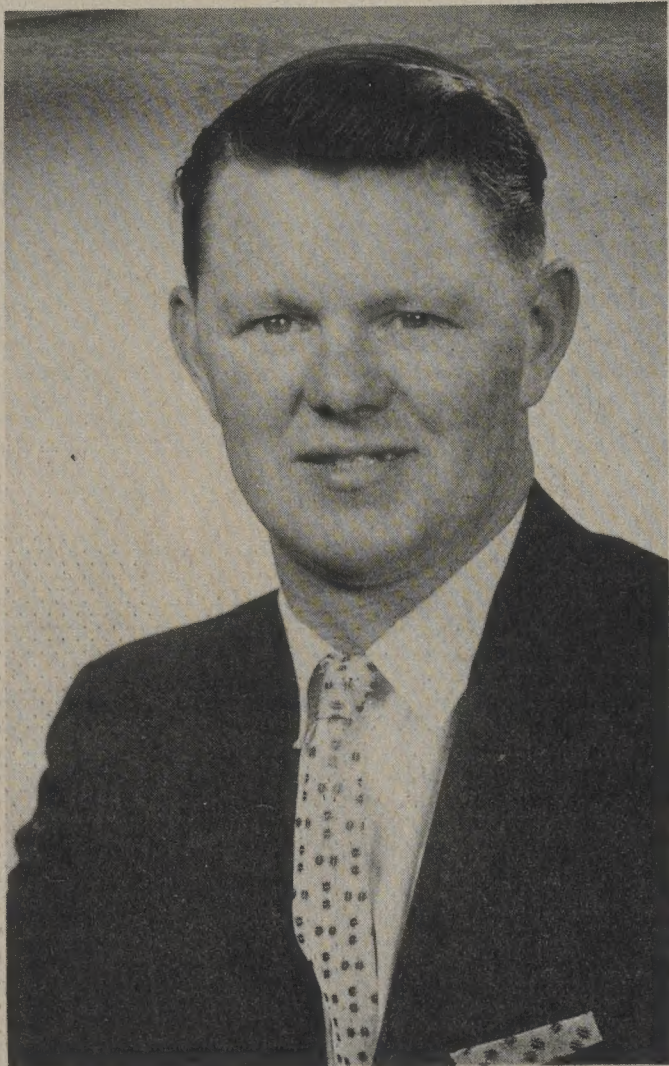

In 1959 election Everitt's nearest opponent was also the Liberal candidate, only 73 votes behind. Conservatives had 1190 and the CCF 474 votes that year.

Keith will again join the Government side of a house with an overwhelming majority—55 of the total 65 seats. The Manning "magic" worked again, but undoubtedly Mr. Manning along with a great many other Albertans will be thinking that young Peter Loughheed (38) who led the Conservative Party to a victory in six seats and an amazing number of second-place positions throughout the Province, is the man to watch on the Alberta political scene.

The Conservative gains were made with only 46 seats contested out of the 65 and the addition of Dr. Hugh Horner to the ranks will further strengthen their position.

The Liberals still have three seats with Mike Macagno, Bill Switzer of Edson and Bill Dickie of Calgary back in. Independent Clarence Copithorne for Banff-Cochrane makes the tenth member of the opposition.

For the N.D.P. the situation looks pretty bleak - obviously Albertans aren't ready for their program which was clearly articulated throughout their campaign.

KEITH EVERITT

DAYLIGHT SAVING:

3904 voters in St. Albert constituency said no to Daylight Saving time with 3313 voting in favour, which is pretty well in line with the

provincial results. So the City people will be disappointed and the rural folk pleased, that Alberta is still not going to do any clock juggling.

See break-down of voting by polls on page 3.

Good news for swimmers

A change in the schedule at the Swimming Pool is now in effect. There will be Public Swimming daily from the hours of 7 - 9 p.m., and it will not be necessary for children to be accompanied by their parents during those hours. The change was made in response to the many requests received from the public and the young people around St. Albert will be delighted.

Big week at Albert Lacombe

Citizenship Day, 1967 will be one long remembered by the young pupils of Albert Lacombe School as they most appropriately received their Citizenship Certificates on that day, Friday, May 19.

His Worship Judge Orval

W. Allen visited their school to give them a clear description of what their Certificates mean and to lead them in the required Oath of Allegiance, explaining that this is the same oath as used in our courts and by our armed forces.

The Judge told the children that their Certificates were their legal proof of Canadian citizenship, and that there had been examples when such legal proof was most important to have. He said also that since Canadian Citizenship was authorized by the Government interest in taking out proof of citizenship was strong, with over 3000 doing so over the past year. He pointed out to them that previously they had been British subjects.

Other guests for Citizenship Day were Mrs. Allen, Mr. Humphries, who assisted the Judge, Mr. V. Maloney, superintendent of schools and Fathers Lafrance and Levangie, and Constable McGorman of the R.C.M.P. Mrs. Mona Sutherland was also present and following the ceremonies the children were given the opportunity to sign the Birthday Card for the Save the Children Fund, which they did with enthusiasm.

Pride in being Canadian was doubly emphasized by the Albert Lacombe School, last week because these young students in Grade one to six, put on what was undoubtedly one of the outstanding Centennial pageants of the year on the previous Wednesday. The pageant depicted Canadian History against a delightful stage backdrop of Canadian scenery with lonely log cabin sheltered by trees. The wings were decorated with colorful cutouts of Indian folklore. Each class presented a playlet on one aspect of our history, from natural history of animals and plants to Indian and Eskimo Peoples, early settlers and explorers. Delightful group singing and solos by Jocelyn and Micheal Gariepy balanced the program.

Props, many of which were authentic heirlooms were moved on and off stage by the youngsters, and together with imaginative costumes and make-up, added greatly to the performance. And parent support was truly tremendous with only three families in the entire school unable to be represented. The confidence shown by the boys and girls before the microphone reflected their careful preparation and the show they put on was incredibly entertaining and imaginative for so young a group. They received a standing ovation from the audience and enthusiastic praise from all the outsiders who joined the parents for the show.

Judge Orval Allen bends to give little Michel Moskalyk a firm handshake as he congratulates him on receiving his Certificate of Canadian Citizenship. All the pupils at Albert Lacombe received these at a ceremony held Friday of last week. Gazette photo.

Teachers joined the pupils in becoming Canadian citizens too. Mrs. Pauline Joly smiles as she accepts her certificate from Judge Allen. Gazette photo.

Mackenzie Day Huge Success

by Hennie Stibbe.

Monday was "MacKenzie Day" in St. Albert, a day full of fun and excitement. The day started off with the official opening of the Grosvenor Park Swimming Pool. Deputy-Mayor John de Bruijn officiated at the ribbon cutting ceremony in the absence of Mayor Fowler. Mr. Don Hunt, Chairman of the Centennial Committee presented a Centennial Scroll to Donald E. Bull. Mr. Bull, proprietor of St. Albert Television, has donated a pneulator to the Pool. A second scroll was accepted by Miss Brenda Gibbon on behalf of the people of St. Albert. A swimming and diving display completed the program.

In the afternoon a sizeable crowd gathered at the Lions Park to welcome the MacKenzie Expedition. This most colorful Canoe Crew is recreating the voyage of Sir Alexander MacKenzie. The group left Pouce Coupe, B.C., May 13 and their journey will terminate after 4,800 miles of canoeing and portaging the Canadian rivers and lakes, at Expo, towards the end of

August. The crew members are: Adolf Ikert, Ken Browns, Jim Burbee, Pat Fairbairn, Bob Poitras, Rene Frigon, John Van Tamelen, Walter Luka, Bill Frost and Anda, the dog. Four of the men are married, all had to make quite a sacrifice to participate in this great adventure. John Van Tamelen, an engineer, sold his house and most of his belongings. His wife and 4 year old son are following the canoe by car. Farmer Bill Frost traded the combine for a canoe and left his brother in charge of his 1 and 1/2 section farm. U.B.C. forestry student Jim Burbee cut short his studies. One of the most colorful of the crew is Walter Luka Jr., all 330 pounds of him! The MacKenzie Expedition was officially greeted by Deputy-Mayor and Mrs. de Bruijn, Miss Centennial, Lucie Hermans, a red coated R.C.M.P. and members of the Centennial Committee. Entertainment at the Park was by the Pryme Meridium, Philomena and Harriet, the St. Albert Air Cadets and several choirs.

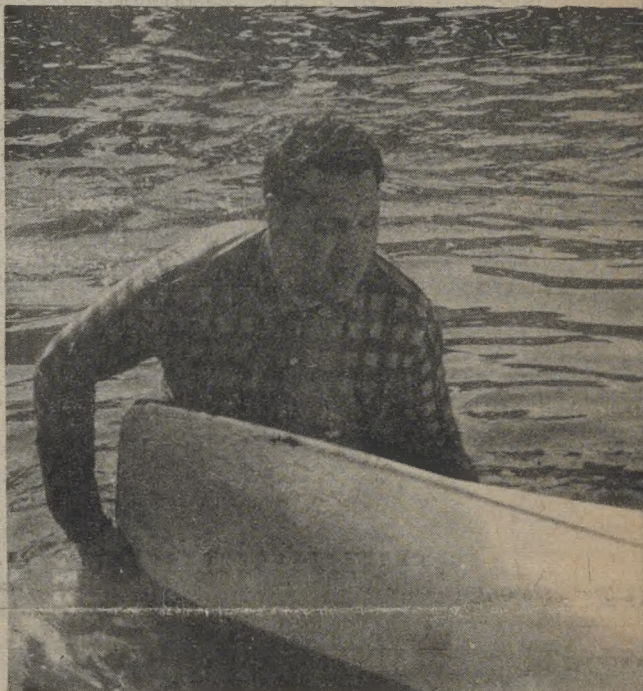

Canoe and kayak races were also featured with one of the

most popular events being a challenge race between St. Albert and Morinville. Racing for St. Albert were Mayor Dick "color me WET" Fowler, Larry Kennedy and Councillors, John de Bruijn and Ray Gibbon. Giving their all for Morinville were Councillors Roger Blackburn and Bert Ouellette, and give their all they did, as half way through the race, they decided to continue IN the water and neatly capsized their boat! Dick Fowler, the perfect host at all times, decided to make the Morinville crew feel better and managed to end up in the Sturgeon also, taking a very bewildered looking Mr. Kennedy with him. To shouts of "Dick, we have a Pool now" and loud applause, our Mayor deftly swam ashore.

The town was host at a supper held in the Community Hall at which a dry once more Mayor Fowler added his signature to a large map, which will be presented by Mr. Ikert to the Mayor of Montreal. A well attended and most enjoyable dance brought St. Albert MacKenzie Day to a close.

A rather informal shot of Mayor Fowler who probably didn't know when he sportingly challenged the Morinville Council to a canoe race with St. Albert Council, that it would involve a full-scale dunking in the river. Gazette Photo.

Assessment Meeting

Mayor Fowler met Wednesday morning with D. E. Mills, Chief Provincial Assessor, and Chairman J. B. Laidlaw of the Assessment Board, who is also the assistant to the Provincial Assessment Commissioner. A report will be available for the Gazette next week.

St. Albert High to present show

Variety is the keynote of the show planned by students of St. Albert High for May 31. The energetic and talented young people are looking forward to entertaining the public with playlets, skits, pantomime, Highland dancing, bandwork, musical solos and choral renditions.

Proficiency awards for top all around students in each grade will also be presented during the program. And the Pryme Meridiums will be an added attraction much to the liking of the young people.

Town float goes to Rocky

by Hennie Stibbe.

For the past three weeks the St. Albert Fire Hall has been the site of much activity. For three or four hours every evening and all day Saturday and Sunday a group of Town employees have been working there on their Centennial project, the building of a Float. Town Council had previously allocated \$500 towards the project to cover travelling expenses and cost of materials. All labour has been donated by the men at no charge.

The 25 foot float left St. Albert for Rocky Mountain House at noon Monday to take part in the parade there. The parade was held Tuesday morning in Rocky, part of a five-day Centennial celebration to launch the Voyageurs Canoe Pageant. Hundreds of visitors were in the small foothills town over the week-end and a great many more arrived for Tuesday and Wednesday.

Judy LaMarch officially launched the canoeists Wednesday and a mammoth fly-in was also part of the celebration, with a great many planes arriving in Rocky on the week-end. It was a wonderful opportunity for the first appearance of the St. Albert float.

The float depicts the Old a log cabin, and the New - a modern bungalow complete with swimming pool. Travelling to Rocky with the float were Marcel de Champlain, Mrs. de Champlain, their

daughters Julie and Edna, dressed in a Centennial costume and a go-go-outfit, Mr. Frank Ricard and Mr. Claude Valliere. The float will be appearing in various towns in Northern Alberta throughout the summer months. Those who helped build the float are: Marcel de Champlain, Don O'Connell, Adolf Brusillo, Frank Ricard, Claude Valliere, Paul Poulin, Guy Hebert, John Dubois, Anton Raparti, Gerry Lafleur, Lawrence Wakefield, Milton Burton, Pete Matesic, Charles Ward, Wally Steppke, Ivan Pasavec, John Beedle and Fred Tetarenko.

Two notices of motion served at council

St. Albert Town Council met Tuesday, May 23 at a regular meeting. Two notices of motion were served at the one hour meeting. Councillor J.J. Bakker served notice of a motion to be made at the first regular meeting in June. "That the Parks and Recreation Department be split."

Mayor and Council in so as Federal, Provincial and Municipal elections are concerned."

ORDERS PRESENTED: Councillor Wheatley Bakker and Donalds were presented with "The Order of the Chicken", for being too chicken to participate in dangerous extra curricular activities such as Canoe Races. The presentation consisted of a Scroll and a live Baby Chick. The recipients accepted the Scroll, but declined the bird which will be taken to a farm by Councillor Gibbon.

TOWN BUYS EQUIPMENT

It was agreed to accept the offer of the Town of Drayton Valley to purchase the St. Albert fluoridation equipment for the sum of \$1867. The equipment, which was purchased in 1962 at a cost of \$2927, exclusive of installation, will be made available to Drayton Valley as soon as St. Albert can obtain its water already fluoridated, through the City of Edmonton.

MR. AND MRS. JAMES CUST.

Couple Celebrate Golden Wedding

Relations and friends gathered Monday May 8th to celebrate the Golden Wedding Anniversary of Mr. and Mrs. James Cust. An Anniversary Mass and renewal of Marriage vows took place at St. Andrews Catholic Church with Rev. Father Butts officiating. Direct members of the family held a banquet at the Club Mocombo where Mr. Martin Cassidy of Vegreville, best man at the wedding of 1917 proposed the toast to the bride. Mrs. Rose Perrott acting for her sister Mrs. Dolly Loiselle was bridesmaid. Rev. Father Butts expressed well chosen words on the significance of the occasion and congratulated Mr. and Mrs. Cust on this happy event.

Personal congratulations were read from Lieutenant Governor Hon. Grant McEwan, Premier Ernest Manning, Mayor Vincent Dantzer and from relatives too distant to attend. 200 people attended the evening reception. Mr. Stan Walker presented Mr. and Mrs. James Cust with a purse and guest book on behalf of everyone present.

Mrs. James Cust was the former Daisy McMahon, daughter of Thomas McMahon who came with his family from Kansas in 1894 along with the Williams, McNamaras, Ryans Grangers, Comos and others on special settlers rates to the Edmonton district.

James Cust came directly from Ireland in 1903 at the request of William Cust, his Grand Uncle who settled in St. Albert district since 1872. William Cust had left Ireland in 1845, was a forty-niner in

Around Town

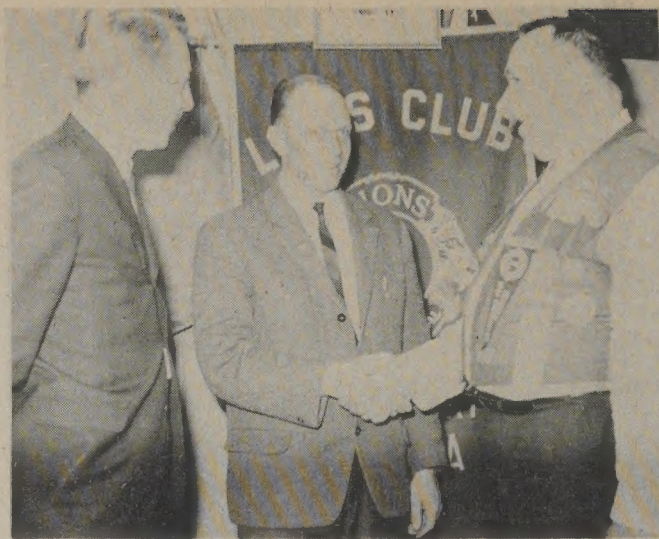

The Centennial Committee turned over proceeds of Monday night's dance to the Mackenzie expedition to help them along their ambitious way to Expo and together with collections and souvenir sales they received generous support from local people. Wednesday morning the hardy crew carried their canoe to the North Saskatchewan (by parliament buildings), pausing for lunch hosted by Westmount Shoppers Park. Then it was back on their bus to St. Albert to meet John Fisher Wednesday evening. Thursday sees them back in the water headed East.

Mr. and Mrs. Bill Sutherland and family were in Rocky Mountain House for the weekend with their Centennial Birthday Card and report "fabulous hospitality" and a wonderful community spirit from everyone they met. Townfolk young and old were consumed in three-cornered hats, vests with a Rocky emblem, white shirts and western ties and everybody was enthusiastically involved in supporting their Town's big Canoe launching celebration. Bill and Mona felt the Voyagers will be wonderful ambassadors along their cross Canada trip and were delighted to get all their signatures, grouped by teams in the Birthday card book, with space allowed for lettering in the winners next September. They also got signatures from the flying pilots and a good number from the public. Eight church groups

joined forces to provide lunch and coffee at no charge and the officials in charge were tremendously helpful and friendly. The Sutherlands who enjoyed the tip in a Lynx tent trailer made available to them by Mr. and Mrs. Napoleon Belley as their contribution to the Birthday card project, thoroughly enjoyed the weekend.

They reported a total of \$1614.60 has been collected for the Canadian Save the Children fund with just over 3000 signatures on the card.

It was nice to see that the four hard-working candidates of St. Albert Constituency were still working the day after the election - seeing

St. Albert Rodeo 106

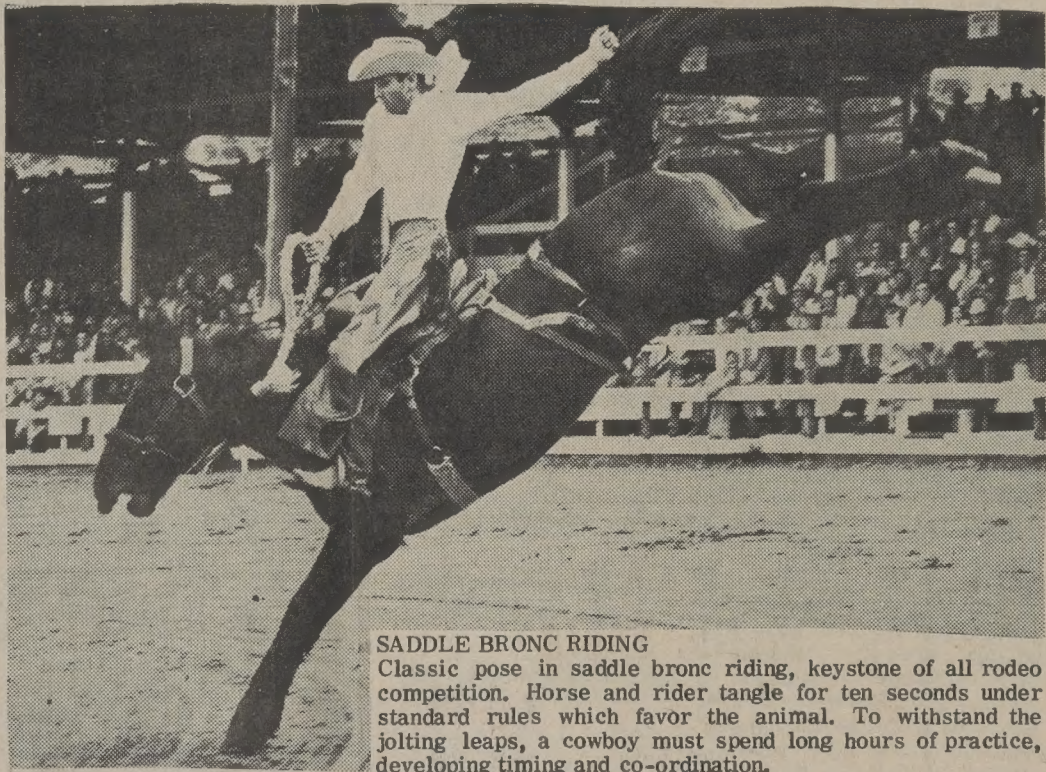

"Action Unlimited"

For the benefit of "Armchair" cowhands and those who may be going to their first Rodeo when the big show hits St. Albert June 16th and 17th, some information on some of the more spectacular events in the sport of Rodeo is illustrated here. Rodeo 106 will feature some of the outstanding cowboys in the circuit competing for prizes and glory in these events and more.

STEER WRESTLING

One for the Money--Exponents of steer wrestling claim it one of rodeo's most scientific events, requiring split-second co-ordination. Here a cowboy, aided by the hazer who keeps the animal running true, has swept down on his quarry with perfect timing, first step in bringing the running steer to a halt and twisting him to the ground.

SADDLE BRONC RIDING

Classic pose in saddle bronc riding, keystone of all rodeo competition. Horse and rider tangle for ten seconds under standard rules which favor the animal. To withstand the jolting leaps, a cowboy must spend long hours of practice, developing timing and co-ordination.

BAREBACK BRONC RIDING

Turbulence Aloft--Climax of a rough journey in bareback bronc riding. Heading groundward, this cowboy lost his grip on the single leather handhold (shaped much like a suitcase handle) which riders are permitted to cling to under the event's rules.

15,000 fans attend Speedway Park opening

On Sunday, May 21st, the drag racing fraternity in the Edmonton region, and compatriots from all over Canada and the United States christened the newest and most modern drag strip in Canada. The temperature rose to the high seventies; sleek dragsters, pretty girls, and the acrid odor of burning rubber and fuel were the order of the day.

More than 15 thousand fans and competitors thrilled to some of the most exciting driving seen in the Edmonton area for a long time. There was not a single dull moment as the competition was hot and heavy, and the "slingshot" dragsters proved to be the highlight of the afternoon, hitting speeds of 187 m.p.h.

St. Albert had four residents involved in the event: GEOFF GOODWIN of 30 Sunset Blvd. who is Events Director at the Park and also President of the Edmonton Hot Rod Association, entered in the Class "C" dragsters; JIM PAUL, of Grandin Esso Service who modified his '57 Chev. himself for the "D" gas classification. RICHARD CHEVALIER of 8 Grenfell Ave. and in the "funny car" class the Stedelbauer Rebel Chevy Two.

The sophisticated electronic timing devices, and pit facilities were a far cry from the inception of auto racing in the Edmonton region back in 1954, when the Booth brothers began their pace setting development of motor sport. Names like, Eldon Rasmussen, Norm Ellefson, and Billy Foster emerged from the Edmonton quarter mile stock car oval to become internationally known in auto racing circles. Many young men tried their hand at car racing and all developed a sincere respect for driving and drivers. Only a handful of the drivers ever reached the professional status accorded to the most highly skilled, however, every driver learned much, and enjoyed the twentieth century's greatest sport.

The real thrill and challenge of the drag sport is the fact that almost any production or modified machine has a classification in which it can race against other equipment. Success hinges upon, not so much the amount of money spent, but upon the devotion of the driver-mechanic team. Cars are classified according to a weight to advertised horsepower rating, and range from "A" stock to "N" stock with every conceivable variation in between. "A" stock is a production car with not any more equipment than the top options from Detroit, and street equipped. "A" stock is the top rated weight to H.P. machine, and "N" stock is the lowest of the stock class. "Fuelers" are modified machinery which are used exclusively for drag racing. The average weight of the "fueler" runs around 1,600 pounds. Engines run up to 1,400 h.p. and transmissions consist of only one gear. The engines are super charged by GMC blowers, which force the fuel mixture into the motor. The fuel used exclusively is a mixture of nitro methane and alcohol with a touch of acetone. The "fueler" gets its tag from the special fuel mixture used which costs as high as \$8.00 (dollars) per gallon. Motors cost as high as three thousand dollars, and can be expected to last for about four races, or at the speeds reached for a racing life of only 28 seconds! Streamlined bodies rest on an elongated frame with bicycle type wheels at the front and 1,100 by 15 "slicks" at the rear. The shape of the "fueler" has gained its nicknames as "slingshot" and "railer". Next to the Jet powered cars, which compete for world land championships these are indeed the "hottest" cars on the track.

Another modified class of auto is termed the "funny car". They are called "funny", because of their exhibition oriented engineering. The body is moved back on the chassis, to a point where the rear wheels are directly behind the front door. This facilitates "wheel stands", or pulling the front wheels off the pavement. They attain speeds of 150 m.p.h. and up. The car is basically a dragster with a full weight production body. The Stedelbauer Rebel, 1965 Chevy 11 coupe was of this type in the drags on the 21st. Mechanical difficulties plagued the Stedelbauer car at the drags, but it is expected that this "funny" car will put on quite a show later on in the season.

The drag strip is Phase One of what will become one of the most elaborate racing car centres in North America. Speedway Park has plans scheduled for a sports car circuit and an 1/2 mile late model stock car track which are to be completed before the end of the 1967 season. The million dollar project is a tribute to racing promoters and enthusiasts in the Edmonton area. Darrell Burnett and Reg Booth deserve a sincere congratulation for their undying efforts at developing the centre.

In closing a special note to parents of street draggers if your son is currently building a hot rod, and you are

concerned about it, try to convince him to participate in the drags as a competitor, where safety is the by-word, and he will soon learn an appreciation of driving as a

very serious business. A note to you fellows who spend your week-ends dragging up and down main street, if you have the guts you think you display on the street, go out and drive

in the next scheduled competition, where the embarrassment of losing is a condition of your ability and not a traffic tag or suspension of your license.

For information on race schedules, write, Speedway Park Centre Limited, 1414 Plaza Shopping Centre, 11842A - 103 Street, Edmonton, Alberta.

... REGISTRATION ...

St. Albert Protestant Kindergarten

The registration for next fall kindergarten will be held on Monday, 29th May, 7:00-8:00 p.m. in the Club Mocombo.

Thank You

The Father Lacombe Chapter I.O.D.E. wish to thank the Residents of St. Albert for their support in the Chapter's recent "Bouquets for Books" sale.

We're Sorry

The Chapter would like to apologize to those customers who did not receive their C.O.D. orders. Unfortunately the Greenhouse was unable to supply all the bouquets that were ordered. With the help of Margo's Flower Shop in Westmount we were able to fill all other orders. We regret what happened and hope this will not affect our future endeavours.

Since when was a penny 'small change'?

No small change, your power pennies! They're big in value, comfort and convenience when put to work around the farm. Power pennies are the only pennies that have doubled in value in the past 20 years. Here's what one power penny will do for you:

You light your farmyard for 3 hours for a power penny.

A barn is ventilated for a power penny a day.

A power penny and a dairy bulk tank keep 5 gallons of milk cool for 30 days.

A power penny a day makes home bodies of your cattle.

A power penny runs a milking machine for 10 days.

RTMENT OF WAYS:

Secretary Treasurer
to Council both letters
Mr. J. P. Church A/Chief
enance Engineer, dated
19 and 21, 1967, in re-
to the construction and
ling of 9.2 miles of east
of Gibbons. The letters
that the Department will
e a grant to the amount
77,000.00 which repre-

sents 75% of the total esti-
mated cost of \$370,000. from the
construction of this road on a
RCU 236 standard. The esti-
mated cost would include the
cost of construction, gravel-
ling, survey purchase of land
for road widening, removal
of fences power lines and
telephone lines.

Messrs. Don Ritchie, Dis-
trict Engineer, and his as-
sistant Mr. Joe Glowach attended
the meeting in order to draw
up the required articles of
agreement for said project.
Mr. Ritchie informed the
Council that RCU 236 (s) re-
quired a 132 foot right of way
under normal conditions but
the Department would prob-
ably accept a 100 foot right
of way under exceptional con-
ditions provided the grade
meets the required standards
of a 236(s). The Council ques-
tioned Mr. Ritchie as to the
25% of Municipal responsi-
bility which would amount to
\$93,000.00.

The Members informed the
District Engineer that in cor-
respondence to Mr. Lynett
of Imperial Oil Ltd. a copy
to the Honorable G. Taylor
the Municipality had advised
them that the Council was pre-
pared to accept a cost sharing
responsibility to a maximum
of \$6,000.00 per mile making
a total for the nine miles of

\$54,000.00 and also the Coun-
cil was prepared to consider
constructing said road this
year. Mr. Ritchie suggested
to Council that if the Council
is not satisfied with the pro-
portioning of cost involved, the
members should make an ap-
pointment with the Honorable
G. Taylor and other Officials
of the Department in order to
fully discuss this matter with
him. The District Engineer
stated that he will inform
Mr. Church that this Council
wishes to delay signing the
articles of agreements until
the Members had met with Mr.
G. Taylor on said matter. It
was also suggested that Offi-
cials of Imperial Oil Co. Ltd.
should be contacted and re-
quest that the Company share
with the Municipality on the
25% of the cost involved. The
Council informed Mr. Ritchie
that the Members wanted as-
surance from the Minister of
Highways that the normal pub-
lic road grants, contingency
and natural resources be not
deleted, affected nor reduced
from past years because of
this special Vote grant to-
wards the Gibbons Road. Mr.
Ritchie assured Council that
once the agree-
ments are signed
and construction work com-
menced, his Department would
pay the Municipality progress
payments as the construction
progresses.

The Council agreed to de-
lay signing the articles of ag-
reement until further detailed
information has been obtained.

Moved that the Council meet
the Honorable G. Taylor at
his Office on April 28, 1967,
at 4:00 p.m. to further dis-
cuss the above mentioned mat-
ters.

It was agreed by the Council
that after having met the Hon-
orable G. Taylor and satisfac-
tory arrangements reached that
the Public Relations Com-
mittee be responsible to con-
tact Imperial Oil Officials
to find out to what extent
said Company is prepared to
share on 25% with this Mun-
icipality. If the Public Rela-
tions Committee receives fav-
orable response from said
Company to Council's satis-
faction, the Public Works
Committee would be respon-
sible to proceed with the hir-
ing of the necessary Consul-
tant Engineer for survey pro-
files etc and that the road
construction be started as
soon as possible.

APEX GRAVEL LTD:
Letter from said Company
per Mr. M. Peterson was
read to the Council whereby
an application was made to
lease the Municipal property,
namely Pt. S.W. 25-55-22-4
and Pt. N.W. 31-55-21-4, at a
yearly rental of \$200.00 per
year plus .25% pr yard for any
gravel removed.

Moved that Apex Gravel Ltd.
be advised that the Council
is not prepared to accept such
rental agreement for gravel
development, at the present
time.

MUNICIPAL INSPECTION
TOUR:
It was agreed by the Council
to have the entire Council
with the Superintendent of
Public Works make a Mun-
icipal Inspection Tour on April
26, 1967, of seven specific
areas. To check drainage
problems, roads, bridges, and

Piano students taking part in the recital were front row left, Rita Laframboise, Sylvia Charrois, Madeleine Caouette, Lilliane St. Onge, Jacqueline Blanchette and Bryan Georget, sec row, Patsy Montpetit, Grace Zilinski, Pat Theberge, Lorraine de Champlain, Jocelyn St. Martin, Louise Caouette, Carmen Boissonneault, Jeannette Cornelis and Anita Chauvet. Back row left, Sister Corriveau, Rita Krauskopf, Rachelle St. Martin and Nicole Cyr. Others missing from the picture are: Laurette Douzieck, Diane Borduzak, Doreen Cornelius, Cathy Montpetit and Jeannette Zilinski.

Students Give Mothers Day Recital

A piano recital was given
in honour of the mothers on
May 14 in the Legal School
Auditorium. Upon arrival
every mother received a beau-
tiful carnation en corsage.

The recital was presented
by Sister Corriveau's pupils.
Her students really displayed
their musical abilities when
presenting their numbers.

The stage was beautifully
decorated with a spring theme,
lovely flowers and musical
notes that didn't only indicate
we were attending a piano
recital but could also be in-
terpreted that spring is here
and everyone should be singing
and happy.

M. C. was Nicole Cyr a
seventh year piano student.
The opening number was a
trio by Misses Nicole Cyr,
Rita Krauskopf and Doreen
Cornelis.

A special homage to the
mothers was presented by all
the pupils and the Palm all

culverts and crossings.

ESTIMATED BUDGET - '67
Each Councillor had been
provided, last month with es-
timated revenue and expendi-
ture forms with details of the
1966 estimates and 1966
actuals with a space provid-
ed for the 1967 Estimates.

The Secretary Treasurer
submitted to the Council his
estimates of revenues and ex-
penditures and gave the Mem-
bers detailed information as
to how he had arrived at such
estimates. The estimates, as
recommended by the Secre-
tary Treasurer, were accep-
ted in principle.

Moved that the Municipal
Budget for 1967, be tabled
and finalized at the May 11,
1967, Council Meeting where,
at said meeting, the required
Mill Rate By-Law for 1967
will be read and passed by
Council.

recited by Doreen Cornelis.

Carmen Boissonneault,
Anita Chauvet and Nicole Cyr
the only three taking the con-
servatory exams, gave a brief
history on their favourite
composer. After everyone had
played their selection the
group closed the recital with
the Centennial Song "Canada".
When Father Ricard was
called upon to say a few words,
he congratulated the teacher
and the musicians, encouraged
them to continue to develop
their musical talents.

A delicious lunch was pre-
pared by the Reverend Sisters
and served by the convent
girls at the Recreation Centre.

Two Legal girls to Expo

Congratulations to the two
students from Legal Rogelle
Auger and Simone Demers who
will be among the twenty-
eight bilingual A.C.F.A. stu-
dents of grades eleven and
twelve of Alberta and two
from Saskatchewan who will
have the privilege of enjoying
a trip to Montreal organized
by the French Canadian
Association of Alberta.

Preparations for the trip
will begin in Edmonton on
July 2 and 3. The group will
leave on the fourth at 10:30
a.m. to return on August 6.
The students will spend from
July 14 to 21 visiting Mon-
treal and Expo. The group
will travel on a school bus
and during their trip they
will stay in convents, col-
leges, schools, recreation cen-
tres and different families.

We know these travels will
be a wonderful experience and
a first time out of the prov-
ince for many of you - "Bon
Voyage Girls".

Legal LOCALS

Sunday afternoon fire com-
pletely destroyed the buildings
on the farm of Mrs. Urbin
Martineau. The fire depart-
ment was called but arrived
too late to save the buildings.
They assisted in preventing
the flames from spreading to
the neighbouring fields.

The Legal district would
like to welcome back to Legal
Mr. and Mrs. Leon Brisson
and family who has purchased
with Dan St. Martin "Roger's
Esso", which will be under a
new name "Citadel Motors".

The weatherman cooperated
in every way to make our first
long weekend a pleasant one.
A number of people travelled
to the lakes, others put in
their gardens, children en-
joyed themselves on hikes and
picnics, but most important
of all, the farmers finally had
suitable weather to start
working in the fields. All in
all we hope everyone had a
very pleasant holiday.

Mr. and Mrs Francois
Coulombe of Vancouver were
visitors at the home of Mr. and
Mrs. Leon Prefontaine before
leaving for Expo.

Mr. Laurent Champagne has
purchased a new gravel truck
He'll be able to haul that
gravel for you with no diffi-
culty now.

Darlene Bolle shower in Legal

Miss Darlene Bolle whose
marriage to Maurice Proven-
cal of Vimy will take place at
St. Emile's Church in Legal
on June 10, was honoured Sun-
day at a miscellaneous shower
in the Community Centre.

For her shower Darlene
chose a sleeveless empire line
gold chiffon over taffeta dress
with matching shoes compli-
mented with a corsage of white
carnations.

Seated at the head table was
the honoured guest, her moth-
er Mrs. Camille Bolle and her
future bridesmaids Miss
Jeanne Provençal, Yvonne
Pelletier and Claudette Pre-
fontaine.

Some 80 friends and rela-
tives enjoyed the variety of
games followed by the opening
of the gifts. Miss Bolle thanked
everyone for attending and for
their lovely and useful gifts.
She also thanked the host-
esses for organizing such a
memorable afternoon in her
honour.

To complete this perfect
afternoon a delicious lunch
was served and enjoyed by
all.

Mrs. Ouimet heads Villeneuve CWL

The Villeneuve C.W.L. held
their May meeting at the home
of Mrs. Albert Halwa. The
slate of officers for the com-
ing year is, Mrs. Wm. Ouimet

Legal playschool ends term

On April 27 the playschool
pupils under the direction of
their teacher Rev. Sister Cor-
riveau held their culmination
concert in the Recreation
Centre.

The hall was filled to cap-
acity, indicating an increasing
interest in playschool activi-
ties in this community. More
and more parents realize the
advantages derived from such
training.

A most enjoyable evening
was had by all. The children
entertained the audience with
their songs, recitations, skits
dances and action songs in
French and English.

Mrs. Bernard Fizer, on be-
half of the parents thanked
Rev. Sister Corriveau for the
wonderful work she had ac-
complished with the children.
Tiny Sharon Dube, on behalf
of the pupils, presented the
Sister with a "brief case"

in appreciation for all she
had done for them.
Achievement cards and cer-
tificates were presented to the
pupils.

A delicious lunch was serv-
ed by the Sisters, ladies and
young girls.

HELP STAMP OUT STRANGERS

None are quite so alone as
the stranger in town, or the
newcomers to the neigh-
borhood.

Remember your last move
...how you felt as the moving
van pulled away ... how you
more than half wished you'd
never come?

Spare your new neighbors
feelings such as these. Let

Important Notice to Ratepayers

M.D. OF STURGEON NO. 90, CENTENNIAL PROJECT:

The Agricultural Service Board, in conjunction with the M. D. Council, is to landscape and dedicate a special park, south of the Administration Office, to the Agricultural Pioneers of this Municipality. The names of pioneer families will be inscribed on plaques attached to a Centennial Memorial which will be erected in the Park. This honorary scroll will bear the names of farm families who were established on farms in this Municipality prior to and including the year 1900 and said families or direct descendants who still reside and actively farm in this Municipality as of this year.

We are requesting the co-operation of every ratepayer to submit to this Office, the names of farm families qualifying under the above mentioned conditions and that with the names submitted, sufficient proof is provided to justify the inscription.

The Board, Council and Office Personnel are not to be held responsible for any omissions of farm family names. We are therefore soliciting every ratepayer's co-operation to submit qualifying names with sufficient proof prior to June 30, 1967.

Anticipating receiving your full co-operation, we thank you.

Alphonse Nobert,
Secretary Treasurer.
